Thank You! ...to our work crews

Work crews have been busy this fall. Thank you for your many days of tearing down, assessing, lifting, climbing, nailing, roofing, re-wiring, insulating, re-assembling and tidying up when all complete.

- Grant Hall, Derek Dool, Al Comeau, Arnie Nurmi, Bryne Lamarsh, Dale Shippam, Harri Kossila, Jim Bidnall, Pauli Kaki, Ross Johnston.

Major repairs to one of the wax trailers have been completed, including a new roof and rewiring.

Derek Dool, with his Stadium crew, welcome their new storage building for stadium fencing, gates, V-boards and lots more. Special thanks to the volunteers who managed to complete the assembly before the early November snowfall.
