

## **Fresh Air Race #4 Description**

This race night will feature two different mass start free technique races with both on short courses (200 m – 400 m loops) with multiple laps.

### **Race 1 – Points Race**

Race 1 is for all regular Fresh Air series categories: Adaptive male/Female, Atom through Masters A & B.

Skiers will ski 7.5 laps on loops ranging from 200 m to 400 m dependent on race category.

Points will be awarded to the skiers who cross the lap/finish line first on each lap. The skier with the most points wins. Points will be awarded as follows: 1<sup>st</sup> – 5 points, 2<sup>nd</sup> – 4 points, 3<sup>rd</sup> – 3 points, 4<sup>th</sup> – 2 points, 5<sup>th</sup> – 1 point, remaining positions – 1 point.

### **Race 2 – Elimination Race**

Race 2 is for categories Midget and older only.

This race will take place on a 300 m loop. Each grouping of racers start as a normal mass start race, but one racer, the last across the lap/finish line, will be eliminated on each lap until all but two racers remain. The final lap with the two remaining racers will determine the winner as one crosses the finish line first.

In order to ensure we have only approximately 10 laps maximum in this race, we will seed racers into start groups to control the group size.
