### Club Participation Award

#### **29.7% LNSC**

- 21.0% BTNSC
- 13.2% KJSL
- 3.0% NTSC
- 1.8% MCCSC

Note 1: For the combined time awards, participants had to ski in their correct age category or the Open category and had to ski in the same category both days.

Note 2: Some categories had fewer than the possible top three award winners. Some skiers skied only one day; some skied different categories each day; some skied up; some were not registered club members; some categories were not represented at all.
